**Invitation For Expression Of Interest For ‘Electronic Examination and Assessment System for Youth Computer Training Centres, West Bengal’**

The Sports & Youth Services Department (Youth Services Branch) of Govt. of West Bengal had decided in the year 1996 to set up Computer Training Institute to cater to the increasing needs of automation & Computerisation resulting in a huge demand of Computer Literate workforce. Over 1,000 such centres are already in operation in West Bengal and are imparting over a dozen different computers and IT related courses to tens of thousands of youth annually.

While the courses are being run across the different centres using a uniform curriculum, but the assessment procedure for the same is often different in different centres. So as to address this lack of uniformity, Department of Youth Services, West Bengal proposed to implement an electronic examination and assessment system for all courses running across all YCTC centres. This will ensure standardization of course assessment and evaluation, reduce the burden and errors caused by manual evaluation of exam papers and also help in automating setting exam papers itself.

The Department of Youth Services, Government of West Bengal invites Expression of Interest from interested IT Service Providers for ‘Electronic Examination and Assessment System for Youth Computer Training Centres, West Bengal’. The EOI document is also at our website [http://www.wbyouthservices.in](http://www.wbyouthservices.in) / [www.wbtenders.gov.in](http://www.wbtenders.gov.in).

Interested Service Providers/partners who meet the pre-qualification criteria may submit their Expression of Interest online with all the necessary documents as instructed in the EOI and digitally signed on or before 20th July 2015 by 15:00 hours. The physical documents as stated in the EOI may be submitted in a sealed cover at the following address:
